QUOTES

"Although anyone is welcome to volunteer, we encourage students to become an active member of Tiger Habitat. Dues for the academic year are \$20, which includes membership and a t-shirt. To become a member, stop by our table while we are on the concourse or attend one of our monthly meetings. All we ask is that you fill out a membership form that will inform us of your volunteer interests."

Tiger Habitat is the Auburn University chapter of Habitat for Humanity. This group works in and around Auburn and Lee County to help Habitat for Humanity with fund raisers, building of houses and recruitment of members.
